
FIONA WONG

Aspiring UI / UX designer

Projects

Alarmio: Daily Essentials App

COGS 120: Interaction Design

Jan - Mar 2019

- Worked in a group of 3 to design an alarm app with features such as weather and routes, so users could have all their daily essential information all in one place right when they wake up
- Used HTML, CSS, and JavaScript to make our app fully functional
- Link: a10-alarmio.herokuapp.com

UC San Diego App: Dining Section

DSGN 1: Design of Everyday Things

Nov - Dec 2018

- Worked in a group of 6 to redesign the dining section of the UCSD app using Marvel to create an interactive prototype and to connect the workflow of the app
- Conducted user interviews with a random sample of 18 adults, applying the master-apprentice model
- Link: marvelapp.com/fgb2da9

MedAlarm: Medical Reminder App

COGS 187A: Usability & Information Architecture

Aug - Sept 2018

- Worked in a group of 6 to design a medical reminder app with an elderly friendly interface (large text, high contrast) using Marvel's collaborative design platform
- Created personas and storyboards before producing prototypes through iterative processes
- Link: marvelapp.com/4gbje43

Work Experience

Administrative Assistant

Center on Global Justice; UCSD

July 2018 - Present

- Process travel reimbursements and assist the office with running errands, such as delivering mail, picking up packages, ordering office and lab supplies

Administrative Assistant

Institute for Neural Computation; UCSD

Feb 2018 - Present

- Process payments and reimbursements for principal investigators and researchers for lab expenses
- Assist supervisor and fund managers with various administrative duties, including performing data entry, answering phone calls, making copies, creating and updating spreadsheets
